

Turn any gift into a memorable surprise by creating this fun and easy gift wrap featuring Max from The Secret Life of Pets. Complete with name tag and celebration hats this will be a surprise that everyone of any age will enjoy!

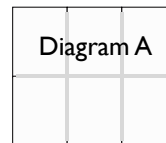

MATERIALS:

- Adobe Reader to open and print file (Free download at Adobe.com)
- Shoebox (Approximate Size: Length 11" x Width 7.5" x Height 4")
- White copy paper (for best results use cardstock 65 pound)
- White wrapping paper or 6 letter size (8.5" x 11") copy paper
- Printer
- Scissors & Ruler
- Clear tape (double-sided tape is great but not required)
- Metal fork (use tip to score dotted lines)
- Black Marker

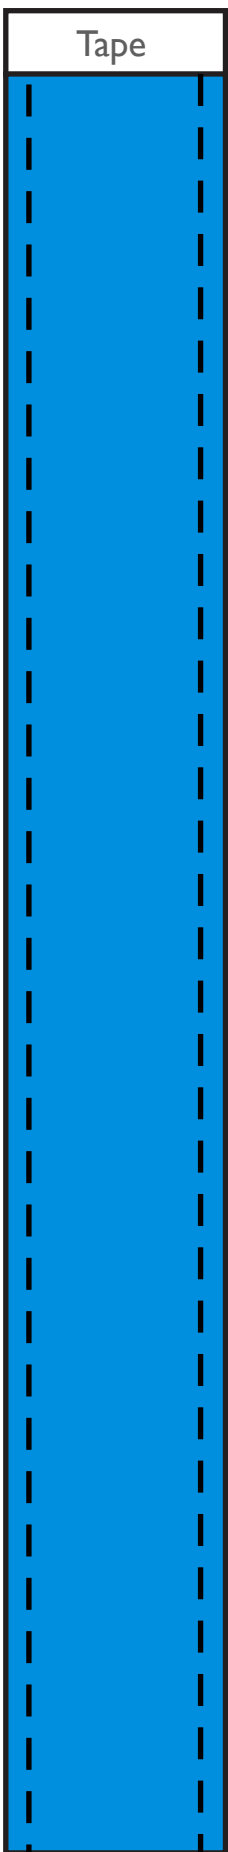

INSTRUCTIONS:

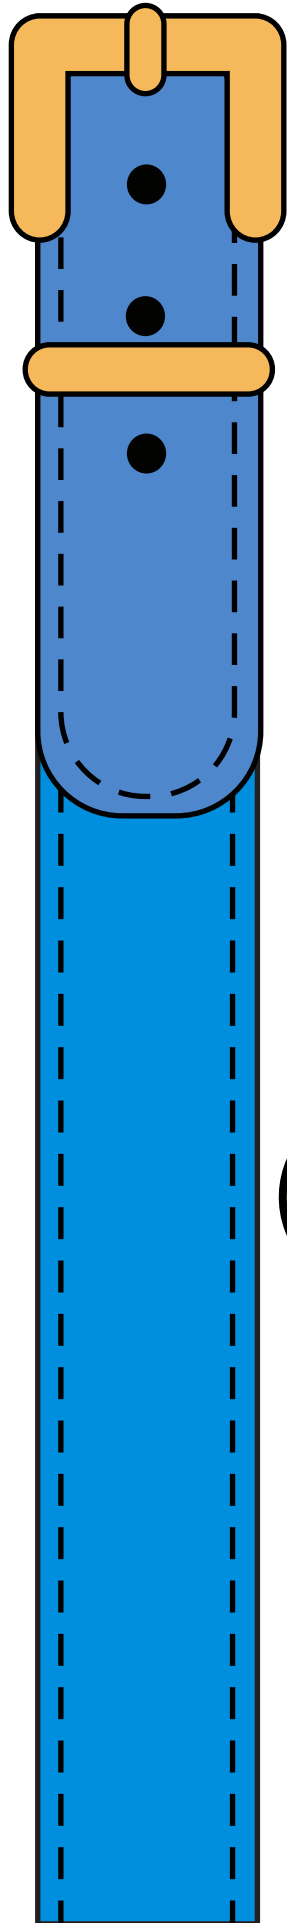

1. Print out all pages on white paper (cardstock for best results).
2. Begin by scoring all dotted lines before cutting to ensure a clean fold on ears, tail, spots & hats.
(Scoring consists of placing a ruler along dotted lines and gently running the tip of a metal fork along the lines to make an indent in the paper for a clean fold.)
3. Cut out all pieces and prefold dotted lines.
4. Wrap gift box in white paper.
(if you don't have white gift wrap paper, tape 6 pieces of white copy paper together as shown in diagram A.)
5. Tape A & B collar together at buckle and set aside.
6. Tape C piece to left top back of box.
7. Tape D piece to right top back of box.
8. Tape E piece to right side of box in middle.
9. Tape F piece to left side of box in middle.
10. Tape G piece to right top front of box.
11. Tape ears pieces (H & I) using fold marks to position on top of each corner.
12. Position collar strap on top of box with buckle in middle, wrap around sides of box and tape, trim away any excess.
13. Tape eye pieces (J & K) to front of box near top (leaving room for eyebrows).
14. Tape eyebrow pieces (L & M) just above eyes.
14. Tape nose piece (N) just under eyes in middle.
15. Tape mouth piece (O) just under nose or draw a smile line using a marker.
16. Tape tail piece (P) splitting each tab in opposite directions and tape at back of box.
17. Tape feet pieces (Q) under bottom of box at each corner.
18. Tape name tag piece (R) to bottom front of box in middle.
