

# EASTER EGG HOLDER

Enjoy this fun and easy paper craft featuring “Blue” from Jurassic World to bring some fun to your Easter eggs

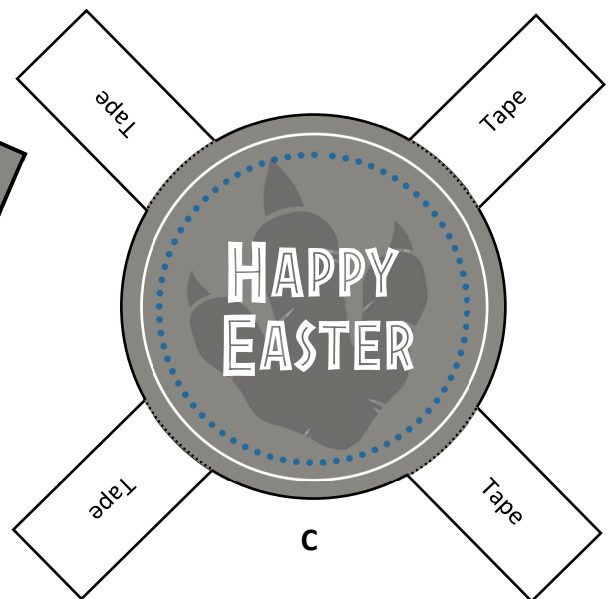

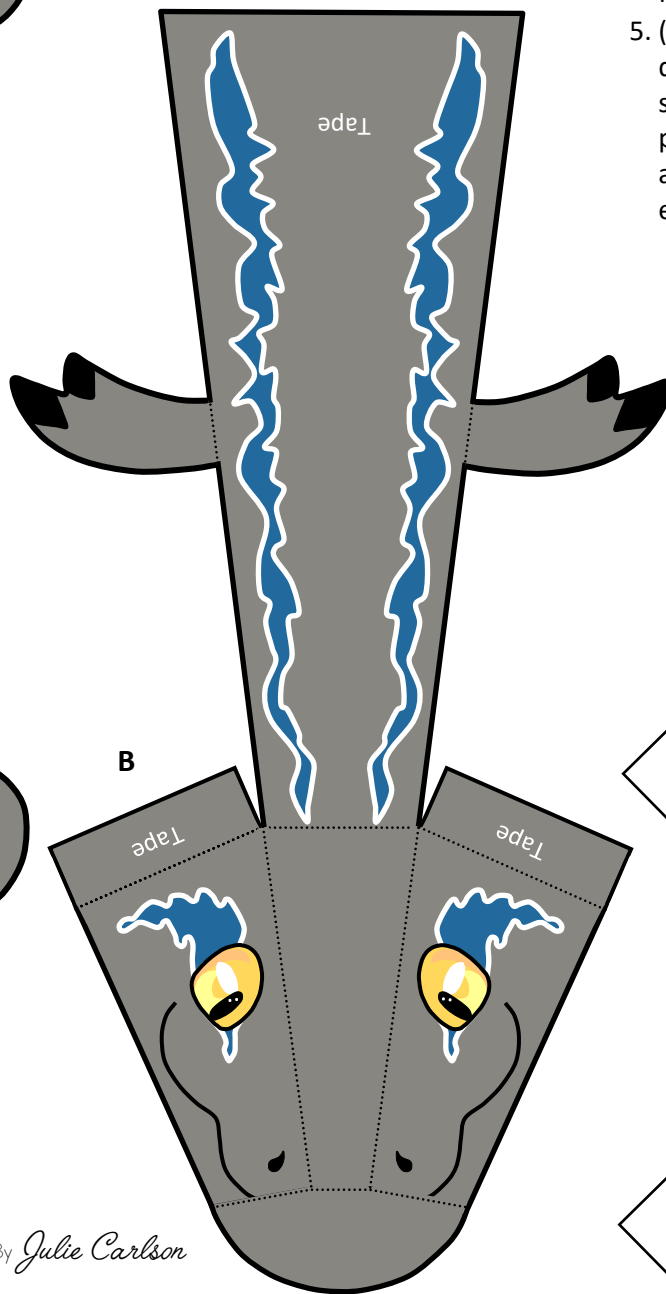

## YOU WILL NEED:

- Adobe Reader to open and print file (Free download from Adobe.com)
- White cardstock
- Color printer
- Scissors
- Double-sided tape
- Bone folder (or metal fork)
- Plastic egg 1.69 in. (4.3cm)
- Candy to fill egg
- Green Easter grass

## INSTRUCTIONS:

1. Print out pages in desired quantity on white cardstock.
2. Cut out all pieces with scissors.
3. To ensure a clean fold on cardstock, first score along the dotted lines. Scoring consists of placing a ruler along the fold line and running a bone folder or one tip of a metal fork along the edge to make an indent.
4. (Part A) Place a small piece of double-sided tape on inside of tail (white side) and bring both ends together so they align and press firmly. Gently mold paper into round circle.
5. (Part C) Fold each white tap up and place double-sided tape on each tab. Making sure bottom message of part C is facing up, place part C with folded tabs inside part A and center of Jurassic logo making sure each tab aligns to bottom circle of part A.
6. (Part B) Begin by folding arms, neck, top of head, back of cheeks and fold nose down and bring both sides of head together. Place double-sided tape on each cheek tab and align tape to back of dinosaur neck to secure.
7. (Part B) Place double-sided tape across the bottom backside of dinosaur where indicated. Insert backside of dinosaur into cup holder aligning backside to middle of tail of cup holder.
8. Fill with colorful grass and egg.
